Re-introducing the Classic 10-146 Cushion Back Cutter!

With its strong stainless steel body, this cutter is built to last. It offers direct-pressure blade retainers, thumb screws for quick blade-changes, and a sloping nose for easy row viewing. The 'Classic' Golden Touch style is maintained with its black handle familiar to installers of all ages.

For over thirty years, Roberts Golden Touch, or "GT" as it is referred to by many installers, has always stood as a symbol of high quality tools. The logo stands as an oath from Roberts to only offer the best products possible. With this line, we are continuing our commitment to excellence by responding to the needs of the true professional. It serves as a tribute to all installers who have come to recognize Golden Touch for its dependability and commitment to quality.

Golden Touch, a commitment to excellence.
